EXT. WELCOME TO PERFECTION ISLAND - PERFECTION ISLAND - DAY
FLYING THROUGH CLEAR SKY

As Perfection Island comes into view

As some boats sail by

NARRATOR
This is a magnificent island, isn't
it? Just look at how peaceful and
perfect it is. Surely the inhabitants
of Perfection Island hold these
values close to their hearts as well.

ZOOM IN

CUT TO:

INT. FRIENDSHIP - ARCADE ROOM, THE DISCO - CONTINUOUS

As DADDLES (4), party-loving bright green bear and youngest
of all bears, NIBBLES (7), food-loving blue bear with above-
average intelligence, NAUGHTY BEAR (6), grizzly bear who has
always struggled socialising and is often outcast, GOOBER
(5), dark green bear who likes things just the way they are,
FLUFFY (8), purple bear fond of science and engineering, and
BUBBLES (6), light blue bear for whom the world simply
passes by, gather together

As some bears play on arcades

NARRATOR
Oh look, all the youngsters have met
up at the disco. What a wonderful
sight it is that they're all getting
along.

As Fluffy chats with Goober

GOOBER
Thanks, I had a wonderful time there,
but it's nice to be back. What have
you been up to?

FLUFFY
I've been inventing, but it's not
finished yet.

DADDLES

I had such fun at my cousin's
birthday party. There were loads of
toys and gifts and cake -

NIBBLES

What sort of cake?

DADDLES

The biggest chocolate cake ever! It
couldn't have been better.

As bears share their glee

And a few lick their lips

DADDLES (cont'd)

Happily, I saved you all a bit.

As Daddles presents box

And gladly opens it

And reveals a decorated cake

As bears excitedly approach

And take a piece each

And step aside

As Naughty finally reaches in

And box is empty

NARRATOR

Poor Naughty! He always misses out on
all the fun that the others enjoy.
Perhaps one day he can join in with
them.

As Naughty is disappointed

And goes to vending machine

And gets soda

As Bubbles spots him

And goes over

BUBBLES

Are you okay?

NAUGHTY BEAR

I would've loved that piece,
actually, but I guess Daddles doesn't
see me as a friend.

BUBBLES

There were enough slices for
everyone, though. Maybe Chubby took
it without us knowing.

NAUGHTY BEAR

That thieving bear! He's forever
ruining my life.

BUBBLES

He doesn't intend to upset you with
anything. Here, you can have some of
my cake.

As Naughty is humbled

And Bubbles insists

As Naughty takes cake

And eats it

As Naughty considers

And has an idea

CUT TO:

EXT. MEET THE PRANKSTER - OUTSIDE ARCADE ROOM - CONTINUOUS

As ignorant bears party on

As Bubbles barbecues burgers

And an agitated Naughty sits on bench

NAUGHTY BEAR

Boy, I wish I could do something
about that dastardly bear!

BUBBLES

Why, what's your problem with him?

NAUGHTY BEAR

He just doesn't think I'm good enough
to be around here. He wants me to
simply vanish into thin air.

BUBBLES
He's always been friendly with the
rest of us, although he can be a bit
mean sometimes.

NAUGHTY BEAR
A bit mean? He's bullied me my entire
life!

BUBBLES
Maybe you and Chubby just need a
fresh start.

As Bubbles comes over

And serves burgers

And sits down

BUBBLES (cont'd)
Here's something to help.

As Naughty and Bubbles tuck in

As Naughty considers

And stands up

NAUGHTY BEAR
I guess a bit of fun won't harm
anyone.

As Bubbles approves

As Naughty walks off

And sniggers to himself

As he looks around

And disconnects telephone

As CHUBBY (7), arrogant orange control freak bear, watches

NARRATOR
Uh oh, be careful, Naughty! Chubby
has just arrived. I think it's time
you went home before the situation
worsens.

As a panicked Naughty hurries off

And goes into forest

And through secret door
 As a lost Bubbles heads inside
 As Chubby checks telephone
 And thinks
 And bashes telephone with hammer
 As telephone reconnects
 As Chubby picks up telephone
 And dials number

CHUBBY
 Hey, dad, I'm just calling to say
 that I've made it here fine. What
 time do you want me home by?

As Chubby's father inaudibly replies
 As a smiling Chubby nods

CHUBBY (cont'd)
 Okay then. See you soon. Bye.

As a content Chubby hangs up
 As he enters disco
 And blasts out music
 And dances away
 As several others join him

CUT TO:

EXT. MISINTERPRETATION - BEHIND THE DISCO - THE NEXT DAY

As an uneasy Chubby sits at campfire
 And toasts marshmallows
 And hums along
 As a serious Goober and GIGGLES (5), dark red comedian bear,
 approach

CHUBBY
Hey guys, what's up?

GIGGLES
There's something we think you ought
to know.

CHUBBY
What's that?

GOOBER
It's about Naughty.

GIGGLES
We have reason to believe that he
wants to push you over the edge and
take charge of things himself.

As Chubby is shocked and angry

CHUBBY
What? How dare he!

GOOBER
He also wishes to be the only
resident of Perfection Island, and is
willing to remove any and all
obstacles in his way, which includes
us.

As a furious Chubby stands up

And thinks

CHUBBY
Well, something must be done to stop
him. I've had it up to here with that
telephone-breaking, constantly
meddling, naughty bear!

As car horn hoots

As Nibbles, Daddles and Fluffy inaudibly chatter

And approach campfire

As a scheming Giggles has an idea

GIGGLES
Ah ha, I think I have an idea.

As bears converse

And enjoy marshmallows
As Naughty cautiously approaches
As bears huddle together
And leave no space for Naughty
As Naughty is disheartened
And clears his throat

NAUGHTY BEAR
I'm sorry, am I interrupting
something here?

As bears are disgusted
And refuse to look at Naughty
As Naughty is confused
As silence hangs

FLUFFY
Yes, you are, Naughty. We don't want
you here.

NAUGHTY BEAR
And why not? What's wrong with me?

DADDLES
What's wrong? Everything about you is
wrong!

CHUBBY
When I grow up, I'll make sure you
don't have a chance to continue your
wicked ways.

NIBBLES
Perfection Island was perfect before
you came along, Naughty. You can no
longer be trusted with anything.

As Naughty is astonished
As bears turn their backs

NAUGHTY BEAR
What's making you think this?
Yesterday was just a spot of fun, as
Bubbles knows.

CHUBBY
Fun? You broke the phone! You call
that fun?

NAUGHTY BEAR
It was just a prank, Chubby, after
you pinched my cake.

As Chubby is disgusted

CHUBBY
I did no such thing, you liar! I
don't want to talk to you anymore.

GIGGLES
You're ruining all our lives.

GOOBER
Now leave us alone.

As bears turn their backs

As silence hangs

As Naughty is lost for words

As Giggles smiles cunningly

And Naughty is distraught

As Naughty slowly walks away

CUT TO:

EXT. LONELY BEAR - NAUGHTY'S HUT - LATER

As an upset Naughty arrives

And heads to back garden

As he sits on deck chair

And looks out to sea

NARRATOR
Oh Naughty, I do hope everything is
going to be alright. It turns out
that even the best of friends can't
be very good bears if they turn their
backs on you like that.

NAUGHTY BEAR

What should be done about them,
though? They won't change by
themselves.

NARRATOR

Then you'll have to persuade them to
accept you for who you are, using
whatever means necessary. I'm sure
you won't be a lonely bear forever.

As Naughty shrugs

And carefully considers

CUT TO:

INT./EXT. NIBBLES MOVING - THE BEACH - EVENING

OVERVIEW OF BEACH AND HUT

As front door opens

And an impressed Nibbles steps in

NIBBLES

Wow, it's going to be nice living
here for a change.

As many boxes cover floor

As an excited Nibbles looks around

And goes into bedroom

And puts suitcase down

And enjoys the view

As he curiously enters kitchen

NIBBLES (cont'd)

Ooh, what's that?

As Nibbles walks to oven

And presses buttons

As flames burst

As Nibbles is scared

And turns buttons off
 And fire dies
 As Nibbles considers
 And heads outside
 As he searches woods
 As a flufffrog hops by
 As Nibbles sneaks up on it
 And catches it
 As he brings it inside
 And puts it on stove
 As flufffrog cooks
 And Nibbles is amazed
 And wonders

NIBBLES (cont'd)
 That's pawsome! This is bound to help
 me for years to come.

As a curious Nibbles looks around
 And experiments with oven
 As sun slowly sets

CUT TO:

EXT. TEAMING UP FOR TEA - RESIDENTIAL ISLAND - EVENING
 As several bears enter cafe
 As Chubby, Fluffy, Daddles and Giggles sit at outside table
 As several boats sail by
 As Bubbles joins them
 As waiter takes order
 And heads inside
